Pre Purchase Information for Potential Buyer

Date of Pre-Purchase Exam: _____.

Seller Name: _____.

Buyer Name and Address:

_____.

Phone: _____.

Email: _____.

Name of Horse: _____.

Age of Horse: _____ Breed: _____.

Intended Use/ Level of Horse:

Costs:

The items below will be performed at the pre-purchase examination:

Farm Call: \$50-\$100 depending on location

Prepurchase Clinical and Moving Examination: \$225.00

The clinical examination includes a basic evaluation of the horse's respiratory, cardiovascular, musculoskeletal and gastrointestinal systems as well as of their eyes, ears and mouth. During the moving evaluation, the horse will be examined at a walk and trot on a firm surface, and lunged at the walk, trot and canter in both directions on both a firm and arena surface if possible. In addition, flexions of the forelimbs and hind limbs will be evaluated. The limbs and back will palpated as well. Following the moving examination, the horse will proceed to radiographs if elected by buyer.

*****The following items are recommended but only performed upon request*****

Radiographic Examination:

The seller can elect not to take radiographs or take fewer views than recommended acknowledging that it is not advised.

Recommended Minimum Radiographs for Horses 4 years and under:

\$1000 (20 views @ \$50 per view)

Front feet (LM, DP, Navicular skyline and Navicular DP), Hocks (LM, DP, DMPLO and DLPMO) and Stifles (LM, Ca Cr)

Fetlock views and back(spine) views may also be recommended.

Recommended Minimum Radiographs for Horses 4 years and older:

\$880 (16 views @ \$55 per view)

Front feet (LM, DP, Navicular skyline and Navicular DP) and Hocks (LM, DP, DMPLO and DLPMO)

Fetlock views and back(spine) views may also be recommended.

****Additional radiographs may be recommended based on the exam findings. Fetlock, neck, back, hind feet or any other additional radiographs may be indicated upon examination and/or requested by buyer.***

Price Break down for Radiographic Examination:

Individual Radiographs up to 4 views: \$75 per view

Individual Radiographs between 5-15: \$60 per view

Individual Radiographs between 16-19: \$55 per view

Individual Radiographs more than 20 views: \$50 per view

Basic Blood Work (Large Animal Profile): \$220

Additional blood work may be suggested based on exam findings and breed.

Coggins: \$120

If not current
